SMARTBEEF

1 - 3 November, University of New England, Armidale, NSW

An event designed to engage the entire beef supply chain, SMARTBEEF will build your knowledge and create wealth across the beef sector.

SMARTBEEF will focus on delivering practical outcomes, through a mix of presentations, case studies and practical demonstrations bringing participants the very latest in knowledge and technology.

If you are anywhere along the beef supply chain and want to learn more about being Smarter and Richer, join us for SMARTBEEF 2017.

More information on SMARTBEEF will become available in the coming months. To register your interest, email events@saucecommunications.com.au
