The Australian Feedlot Industry Directory (2011 edition) is a joint initiative of the Australian Lot Feeders' Association (ALFA) and Elders. The ALFA Elders Feedlot Directory has been produced to assist cattle breeders, backgrounders and their agents to target the various market opportunities for feeder cattle.

The most recent edition of the feedlot directory includes specific details of feeder cattle requirements for most of the major feedlots in Australia as well as information pertaining to the companies and businesses that feedlots can expect to deal with in the course of their livestock purchasing programs.

The latest edition of the Feedlot Directory includes a total of 104 feedlots across Australia, broken down by State: NSW 31; QLD 48; SA 8; VIC 7; WA 10.

Price includes Express Post Service.
